OFFICIAL NEWSLETTER OF THE JACKSON FREE CLINIC

# JANUARY

*The mission of the Jackson Free Clinic is to lead in Care, Education, and Outreach through a steadfast commitment to the following principles:*

## CARE

We provide high-quality healthcare services to underserved Mississippians, prioritizing equity, accessibility, compassion, and respect for our patients' lived experiences.

## EDUCATION

We create an inclusive learning environment that fosters growth, collaboration, and interdisciplinary education for both patients and volunteers, regardless of their professional or personal backgrounds.

## OUTREACH

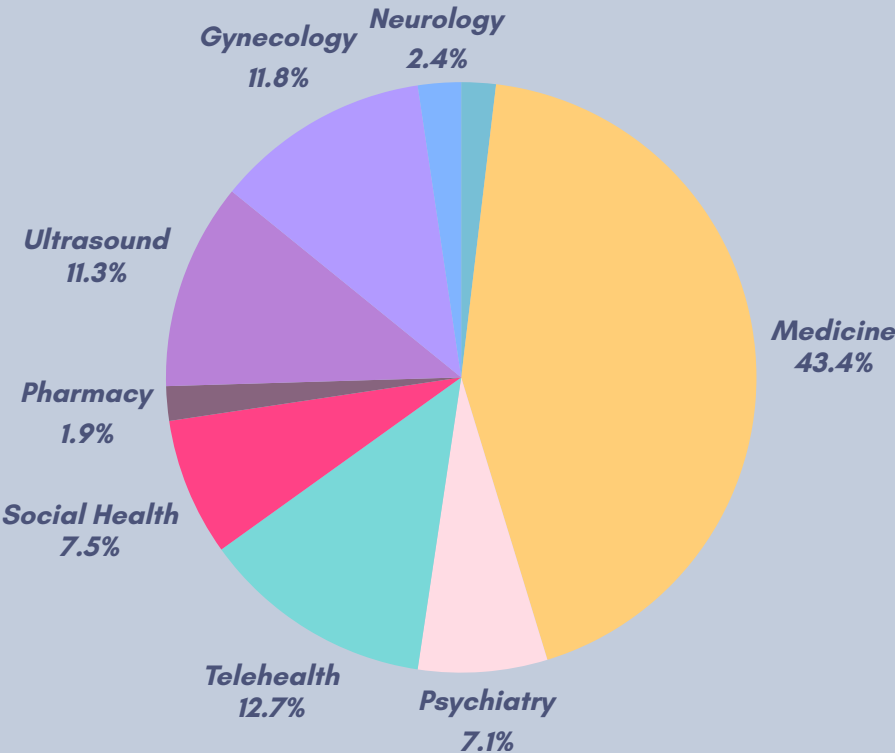

We extend our impact beyond the clinic's walls by building meaningful community partnerships and addressing the social determinants of health through supportive services and advocacy.

### IN THE PAST MONTH...

We saw over 140 patients in clinic for medical, dental, psychiatry, pharmacy, social health, telehealth, ultrasound, vision, and rehab visits.

We had over 80 student volunteers representing medicine, pharmacy, nursing, dental, OT/PT, and undergraduate institutions, totaling over 3,000 volunteer hours.

On December 14th, the Jackson Free Clinic hosted its annual Fall/Winter Fest, celebrating community, compassion, and service during the winter season.
