# DISABILITY BENEFITS APPLICATION

## QUALIFICATIONS

To apply online for disability benefits, you must satisfy the following requirements:

- Are age 18 or older;
- Are not currently receiving benefits on your own Social Security record;
- Are unable to work because of a medical condition that is expected to last at least 12 months or result in death; and
- Have not been denied disability benefits in the last 60 days.
- If your application was recently denied for medical reasons, start with the Internet Appeal.

## APPLICATION

- Apply online (<https://secure.ssa.gov/iClaim/dib>) or set up an appointment: +1 800-772-1213
- You may call Jackson Free Clinic (601-355-5161) to schedule a time to come use a clinic computer.
- Application asks for: description of the impairment(s), treatment sources, and other information related to the alleged disability

## PROCESS

- Field office will verify non-medical eligibility requirements.
- Application is sent to a Disability Determination Services (DDS) office in your state.
- DDS may arrange for a Consultative Examination (CE)
  - **In the event that the DDS requests a consultative exam, the patient must receive this exam from an independent, external source. JFC physicians will not perform or sign off on this examination. Please contact your Disability Case manager to find a provider that will be able to help you.**
- They will take 3-6 months to review your application and medical records.
- After their review, you'll get a letter in the mail with the decision.
  - Check the status to see where you are in the application process: <https://www.ssa.gov/apply/check-application-or-appeal-status>
  - Appeals may be decided on by the DDS or the SSA's Office of Hearing Operations.

## JFC'S ROLE

With your written consent, the Jackson Free Clinic may release your records to provide required information about your medical condition, including but limited to:

- Information about your medical illnesses, injuries or conditions
- Name, address, phone number, patient ID number, and dates of examinations and treatments at JFC
- Names of medicines you are taking, reasons for them, and who prescribed them, if they were prescribed at JFC
- Names and dates of medical tests you have had and who sent you for them, if they were sent through JFC
- Other information included in your JFC Medical Records
