

JACKSON FREE CLINIC

JACKSON FREE CLINIC

OFFICIAL NEWSLETTER OF THE JACKSON FREE CLINIC

MARCH

The mission of the Jackson Free Clinic is to lead in Care, Education, and Outreach through a steadfast commitment to the following principles:

CARE

We provide high-quality healthcare services to underserved Mississippians, prioritizing equity, accessibility, compassion, and respect for our patients' lived experiences.

EDUCATION

We create an inclusive learning environment that fosters growth, collaboration, and interdisciplinary education for both patients and volunteers, regardless of their professional or personal backgrounds.

OUTREACH

We extend our impact beyond the clinic's walls by building meaningful community partnerships and addressing the social determinants of health through supportive services and advocacy.

IN THE PAST MONTH...

We saw over 210 patients in clinic for medical, dental, psychiatry, pharmacy, social health, telehealth, ultrasound, vision, and rehab visits.

We had over 100 student volunteers representing medicine, pharmacy, nursing, dental, OT/PT, and undergraduate institutions, totaling over 3,200 volunteer hours.

In collaboration with the Student Health Coalition, we hosted a Health & Wellness Demo focused on education, prevention, and empowering our community to take charge of their health on 2/21.

STAY TUNED

Two big reasons to mark
your calendar
