OFFICIAL NEWSLETTER OF THE JACKSON FREE CLINIC

OUR MISSION

The mission of the Jackson Free Clinic (JFC) is to be leaders in Care, Education, and Outreach through commitment to each of the following:

Care

We will provide high-quality health services to underserved Mississippians with an emphasis on equity, accessibility, compassion, and respect for our patient's lived experiences.

Education

We will provide opportunities to learn, teach, grow, and collaborate across professional disciplines and life backgrounds for our patients and volunteers in an inclusive educational environment.

Outreach

We will extend our work beyond the walls of the clinic to foster deep community partnerships and provide supportive health services that address social determinants of health in our community.
